Make Your Mark Digital 2024 Capabilities Statement

BUSINESS SUMMARY

Make Your Mark Digital is a Woman Owned Marketing Company that has been in business for 8 years. We help our clients gain new customers online by creating, communicating, and shaping digital engagement through strategic planning, implementation, and a results-driven approach to analytics.

UNIQUE VALUE PROPOSITION

The Remarkable Growth Builder™ is our analytical method that integrates strategy, real-time data, creativity, and partnership to drive measurable digital growth. Rooted in innovation, this approach has been a game-changer for our clientele. Uncover how the RGB Method can unlock extraordinary growth and set your business apart.

SERVICES

Digital Strategy: We create digital strategy tailored to your brand.

Paid Advertising / Media Buying: We create campaign strategy, execution, management, and analytics. Including: Google, Microsoft, Facebook, Instagram, TikTok, LinkedIn, and Remarketing.

SEO (Search Engine Optimization): We will increase the quality & quantity of traffic to your website and conversions.

Social Media Marketing: We will create campaigns and manage organic and paid social media.

Data Analytics: We apply a results-driven approach to analytics to understand the data and increase visibility and engage customers online.

Website and Application Design and Development: UX/UI Design, PHP, WordPress
